

Get to a healthier place.

LOOKING FOR A WAY TO STAY HEALTHY?

Anytime Fitness is about helping! What we strive for is helping the community GET TO A HEALTHIER PLACE! We understand it can be difficult to make time to get that quick run in or workout, which is why we are open 24/7. This is the reason we are reaching out to UNM staff, faculty, students & retirees. We would like to offer all UNM employees our cheapest rates.

With construction of the Johnson Gym underway, we would like to offer our location as a 24 hour alternative. To receive this offer, bring this flyer with your UNM ID.
